Subject: FOIA request - 06-FOI-00146-12 status

Ms. Hall,

Per my conversation call yesterday with you, I returned your call to inform you of the status of your FOIA request.

On January 24, 2012 you were mailed a response letter which included 1 CD of responsive information from the Superfund Division and a referral to the Bureau of Ocean Energy Management, Regulation and Enforcement (BOEM) web site from the Multimedia Planning and Permitting Division. Also, the Water Quality Protection Division did not locate any responsive information.

The last Division assigned, Compliance Assurance and Enforcement is needing an extension of time and an additional 30 days to appropriately examine a voluminous amount of separate and distinct records involved in your request. (5 USC 552(a)(6)(B)(iii)(II)). Also, a fee commitment of \$500.00 is needed to continue process of your FOIA request.

I need a confirmation agreement from you for the extension of time and fee commitment to continue process of your request?

Thank you in advance.
